

## Sheet 2

### Activity three: Plan - Co design working group planning

1. What do you need to consider in the planning phase?
2. What is the role of community members on the co design working group?
3. How might you gather information to inform the working group about the issue?
4. What might you need to consider so that each participant has an equal opportunity to contribute?
5. What rules or agreements need to be brokered to allow the group to operate in a safe space
6. Once you have gathered a range of ideas to improve the issue, how can the working group decide which ones will be trialed?
